

The 2019 Identity Theft Fraud Study, released by Javelin Strategy & Research, found there were 14.4 million victims of fraud in the U.S. in 2018. Identity Theft can impact anyone, anywhere, at any time - which is why it is important to protect yourself.

Now you can monitor and control your personal information and have peace of mind knowing you're protected with 24/7 fully-managed restoration and up to \$1 million of identity theft insurance in the event of an incident.
