Community

The city of Portsmouth has a population of approximately 100,000 people with 47% of the working residents employed by the United States Government and 53% employed by local business and industries. Secondary student enrollment includes three middle schools and three high schools.

Accreditation

All secondary schools are accredited by the Southern Association of Colleges and Secondary Schools and the Virginia State Department of Education.

Curriculum

Any program of studies may lead to college admission providing the pupil meets the entrance requirements of the college of his/her choice. The senior high schools in Portsmouth operate within a 4 x 4 accelerated block schedule. Portsmouth Public Schools offer Advanced Placement classes in all core areas and Dual Enrollment classes in conjunction with Tidewater Community College.
