MISSION STATEMENT

The mission of Gentlemen's Club is to provide outreach to at-risk youth, by promoting educational enrichment, leadership skills, one-on-one mentoring and global service initiatives that will cultivate the next generation of responsible leaders.

MEETING DAYS AND TIMES

WWHS Gentlemen's club will meet twice a month on Monday's beginning in November. Meetings will be the first and third Monday's of every month. Meets will be held right after school 2:15 pm – 4:00 pm. I will let you know the meeting place before the time comes for the meeting.

EXPECTATIONS AND CAUSE FOR REMOVAL FROM WWHS GENTLEMEN'S CLUB

There is no cost to be a member of WWHS GC but there is a charge for the t-shirt. T-SHIRTS ARE \$10. All other materials are gifted and the time spent creating lessons, arranging events and meeting with the guys is voluntary. All that is asked is that ALL guys be respectful, responsible and safe during ALL group interactions. As a member of WWHS Gentlemen's Club everyone is expected to

exhibit leadership behavior as they are representatives of Woodrow Wilson High School at school and in the community. It is a great opportunity to begin community service and is looked favorably upon on college applications.

The goal is to have all boys participate fully and respectfully. However, if at any time your students finds it difficult to abide by the rules and expectations set forth they will be removed from the group.

Another requirement of the group is pertaining to attire during the meet-ups. WWHS GC are expected to wear their t-shirts on the days that we meet together. On the day that the speaker visits it is requested that gentlemen dress up (**dress shirts and ties, preferably**).

Please read over the information with your child to ensure that WWHS GC is the group for them. If they would like to be in the group please impress upon your future WWHS GC the importance of being a team member and working effectively with others. All parental/guardian support is greatly appreciated. If you would like to volunteer to chaperone please contact me with your information at Nyshea.edwards@gmail.com or (757)465-2907 ext. 52146. Thank you in advance for all support of WWHS Gentlemen's Club.
