Dear Woodrow Wilson Families,

My name is Nyshea Edwards, and I am Woodrow Wilson High School’s Parent and Family Liaison. I would like to take this opportunity to introduce myself. I hold a Bachelor of Science Degree and Master of Science in Business Administration. I have 14 years’ experience in the field of education, which includes coaching, substitute teaching, and security. My 14 years of service has been with Portsmouth Public Schools.

I understand the challenges parents are facing can be significant. However, I am confident in my educational background and involvement with diverse families, and I can make a positive impact. Additionally, I can assist in creating positive interaction with the faculty, teachers, and students. I look forward to collaborating with you as a team to help your child be successful. Furthermore, there will be gatherings for families, and we hope you will be able to attend. I appreciate any feedback or suggestions regarding my services.

My Duty is to:

- Provide our families with the necessary skills and tools to ensure their students achieve the highest potential in school and life.

My Goals are to:

- Empower parents with the knowledge, skills, and resources to support their student’s education.
- Strengthen the relationship between families and school faculty.
- Prepare the students to excel academically and socially.
- Involve parents in helping students succeed by:
  - Assisting in the classrooms
  - Communicating with the school counselors
  - Creating and implementing parent workshops and programs
  - Building strong relationships with teacher.

Thank you in advance for your support.

Ms. Nyshea Edwards
