### **EXPECTATIONS AND CAUSE FOR REMOVAL FROM WWHS POWERFUL**

#### **PEARLS**

There is no cost to be a member of WWHS PP but there is a charge for the t-shirt. **T-SHIRTS ARE \$10.** All other materials are gifted and the time spent creating lessons, arranging events and meeting with the young ladies is voluntary. All that is asked is that ALL young ladies be respectful, responsible and safe during ALL group interactions. As a member of WWHS Powerful Pearls everyone is expected to exhibit leadership behavior as they are representatives of Woodrow Wilson High School at school and in the community. It is a great opportunity to begin community service and is looked favorably upon on college applications.

The goal is to have all young ladies participate fully and respectfully. However, if at any time your students finds it difficult to abide by the rules and expectations set forth they will be removed from the group.

Another requirement of the group is pertaining to attire during the meet-ups. WWHS PP are expected to wear their t-shirts on the days that we meet together. On the day that the speaker visits it is requested that young ladies dress up.

Please read over the information with your child to ensure that WWHS PP is the group for them. If they would like to be in the group please impress upon your future WWHS PP the importance of being a team member and working effectively with others. All parental/guardian support is greatly appreciated. If you would like to volunteer to chaperone please contact me with your information at [Nyshea.edwards@gmail.com](mailto:Nyshea.edwards@gmail.com) or (757)465-2907 ext. 52146. Thank you in advance for all support of WWHS Powerful Pearls.
