**ACTE 2021 Fellowship Program Participants Announced.....**

**Alexandria, VA** – The Association for Career and Technical Education (ACTE) has announced the selection of 24 participants for its National Leadership Fellowship Program, which provides educators with an opportunity to enhance their leadership skills and involvement in professional organizations. The program identifies, trains, and motivates a cadre of leaders who will continue to advance efforts which support an educated, prepared, adaptable and competitive workforce.

The Fellowship Program is a one-year commitment from January 1 through December 31, 2021. Each of ACTE's five regions and the majority of Divisions are represented in the program. In addition to more experienced educators, this year's fellowship class again includes a cohort of new professionals, geared towards those with 2-5 years of CTE experience.

*The Association for Career and Technical Education (ACTE) is the nation's largest not-for-profit association committed to the advancement of education that prepares youth and adults for successful careers. ACTE represents the community of CTE professionals, including educators, administrators, researchers, school counselors, guidance and career development professionals and others at all levels of education. ACTE is committed to excellence in providing advocacy, public awareness and access to resources, professional development and leadership opportunities.*
