

# Woodrow Wilson High School PTSA Membership Drive

Won't you please join the PTSA membership to help support your school and students?

The PTSA is about being involved parents and families standing up for good education, good health and a safe place to live, go to school and play for our children. Membership numbers are important because our local, state and federal government listen when many voices become one voice for every child.

Help us to be a strong voice for children and youth in Virginia and the nation. The PTSA is an informed team of individuals to work on behalf of all children and youth. The PTSA includes parents, educators and members of the community who work together in large and small ways.

Membership is open to all students, parents, grandparents, educators and the community.

Make a difference in your community and school through involvement in the PTSA programs that address issues such as school violence, bullies, cliques, alcohol and substance abuse, smoking, teenage sexuality and adolescent health concerns.

The PTSA is an excellent way to meet people and to get involved in your school and education.
